Desarrolla aplicaciones Web con conexión a base

The screenshot shows the GitHub sign-up process in a web browser. The browser's address bar displays the URL: `github.com/signup?user_email=diana20492%40cbtis75.edu.mx&source=form-home-signup`. The GitHub logo is in the top left, and a link to "Sign in" is in the top right. The main content area has a dark blue background with a starry pattern. A central white box contains the following text:

Welcome to GitHub!
Let's begin the adventure

Enter your email
✓ diana20492@cbtis75.edu.mx

Create a password
→ plumones016 [password strength icon] Continue

Below the password field, there are three green bars and the text: "Password is strong". Below this, it says: "Make sure it's at least 15 characters OR at least 8 characters including a number and a lowercase letter."

At the bottom, a small text block states: "By creating an account, you agree to the [Terms of Service](#). For more information about GitHub's privacy practices, see the [GitHub Privacy Statement](#). We'll occasionally send you account-related emails."

The Windows taskbar at the bottom shows the Start button, a search icon, and several application icons including Chrome, File Explorer, PowerPoint, Excel, Word, OneDrive, and Visual Studio. The system clock in the bottom right corner shows the time as 07:09 p. m. and the date as 26/09/2022.
